
Issues:
Reproductive Ethics
Women's Health

Edited by John F. Kilner, Paige C. Cunningham, and W. David Hager
(Grand Rapids: Eerdmans Publishing Company, 2000)

Within the high-paced, highly controversial field of bioethics, some of the most hotly debated issues center on sexuality, reproductive technology, and the family. This volume provides a thought-provoking appraisal of the ethical dimension of the reproductive revolution from a Christian perspective.
