CBHD often receives requests from educators and other individuals for popular resources that engage bioethics through various media (fiction, film, and television). In this resource, we offer an overview of relevant materials in fictional books and series. Readers are cautioned that these works represent a wide variety of genres and may not be appropriate for all audiences. For more information on each work, please visit the individual topic pages. If there is a work you think we missed, email us at info@cbhd.org.
